

Discover your artistic potential and start a creative adventure with this watercolor class designed for adults and teens aged 13 and above.

In this class, you will:

- Master watercolor techniques and applications
- Develop your personal style and artistic voice
- Explore a range of subjects, including landscapes and still life
- Gain a deeper understanding of color theory and composition

In this class, you will be provided guidance and support as you develop your skills and express your creativity through watercolor. Join our lively artist community and experience the pure joy of painting together. No matter your experience level, whether you're a beginner or have some background in art, this class is tailored to accommodate everyone.

- Class Duration: 1 hour and 30 minutes
- Sessions: 4 sessions
- Price: \$90 (Tax included)
